

ALDER Gallery Editions

I am always looking to expand the opportunities and functionality of wood. The simple beauty of the alder pieces lend themselves to so many applications. The tall alder round works beautifully for a glass breakfast table base and the low round fits beautifully with large sectional sofas. Custom sizes are easily achieved.

Shown in alder with clear finish.

AL-5 Alder Round | 19-20" D x 16" H | 50lb | alder | clear finish

AL-6 Alder Round Tall | 19-20" D x 28.25" H | 90lb | alder | clear finish

AL-7 Alder Round | 37-38" D x 12" H | 150lb | alder | clear finish
