

BRENTCOMBER

ALDER CUBE

I love the experience of walking in the many forests near my home, never sure of what lies in the shadows in the distance or in the dark spaces between the trees. I've often wondered if the mystery suggested in these dark spaces and unknown depths is a significant part of what draws us to the natural world. My wish is for you to peer into the piece past the surface and imagine yourself walking in a rainforest.

*We offer this item with a clear varnish finish, suitable for indoor use only.
